Present: Beth DiFrancesco, Betsy Coble, Laurie Sanborn

Meeting opened at 3 PM.

Discussed process for town election voting and paper ballots with Betsy. Beth and Laurie will not be in attendance for town meeting. Dan has asked Gully Dunlop to come in to sub for town election day and town meeting night. Laurie found the papers used for paper ballots and town meeting voting.

Betsy will print an alpha list for town meeting night to use as a checklist. She will print 3 copies of the checklist for town election day.

Final process will be discussed with Dan on tuesday, election day.

We looked at the calendar for the remainder of 2019. We will need to meet to batch the town election. There are no other state dates on the political calendar for us. We discussed the primary and presidential election for the fall of 2020. We agreed to meet periodically to purge the checklist when needed.

Betsy asked about the other small cabinet; we should clean that out some day.

Meeting adjourned 4:00 PM
